THULE[®]
SWEDEN

› Thule Allax

Designed to protect both dogs and people

The dog crate comes in ten different sizes, all with rounded edges to provide a perfect fit for both your car and your dog. Plus, the dog travel crate can be adjusted in depth for a perfect fit in your trunk, and tension bands ensure that it stays securely fastened while driving. Well-designed and well-built – no noise or rattle will come from this premium dog crate.

› Thule Allax

For an active life together

The safe, reliable and easy to use dog crate for cars. This premium dog crate has a gas damped door for a smooth opening and closing, a built-in lock and great accessories to complete the experience.

Thule Dog Crate Bumper Protector

Thule Dog Crate Mat

Thule Dog Crate Storage Bag

Thule Dog Crate Leash Hook

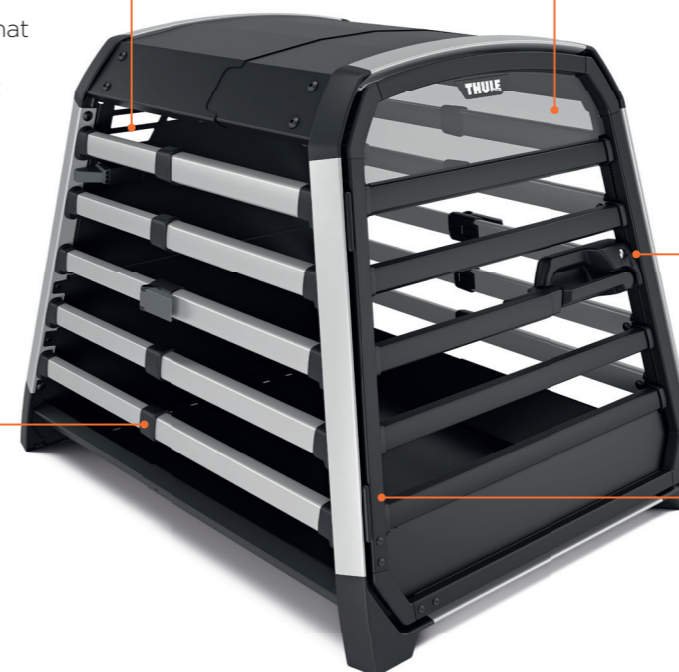

The crate is equipped with an escape hatch, that enables opening of the crate from the backseat

The window and the openings in the crate make it easy for you to check on your dog at any time

The crate has a built-in lock for added security

Innovative crumple zone provides superior protection for dogs in case of rear collisions

The door's gas damping mechanism ensures a gentle open and close, enhancing your everyday interactions
