

Asan[®]

Premium Patented Litter for Small Animals and Cats

About ASAN[®]

ASAN[®] is a premium patented litter manufactured by Tommi CZ s.r.o. (Czech Republic). ASAN[®] has exceptional absorption capacity, superior odor control, and extended service life. It is an innovative and sustainable choice for pet parents.

For over 12 years, ASAN[®] has been a trusted brand earning numerous international and national awards, including the prestigious World Branding Awards Golden Trophy – Brand of the Year 2021-22 in the sanitation category. A number of renowned European professional breeders consider ASAN[®] the gold standard for maintaining small animals such as rabbits, guinea pigs, rats; mice, ferrets or hedgehogs.

Why Choose ASAN[®]?

SUPERIOR PERFORMANCE

- **Unmatched Absorption** – ASAN[®] guarantees over 450% moisture absorption surpassing conventional litters
- **Excellent Odor Control** – effectively neutralizes unpleasant smells
- **Optimized for Different Pets** – broad product portfolio for various pet needs and prepped for retail or wholesale partners

ECONOMICAL & LONG-LASTING

- **Extended Usage** – replacement is only required every 8-14 days saving time and money for pet owners

SAFE FOR PETS & FAMILIES

- **Gentle on Paws** – soft, rounded granules prevent irritation
- **Hypoallergenic & Dust-Free** – perfect for allergy sufferers
- **Chemical-Free** – safe for storage in homes, warehouses and apartments

LIGHTWEIGHT & USER-FRIENDLY

- **Ultra-Light** – ASAN[®] is significantly lighter than traditional litters, (10l packs weigh just 2.3kg), making handling easy for children, seniors, or individuals with disabilities
- **Easy Disposal** – convenient and safe to discard
