Discover the Next Dimension of Animal Rest and Sleep Science

The revolutionary ThermoSwitch® bedding technology addresses the many needs and factors in getting quality rest and sleep.

Our Thermo-Reflection System insures optimal temperature and adapts to any location.

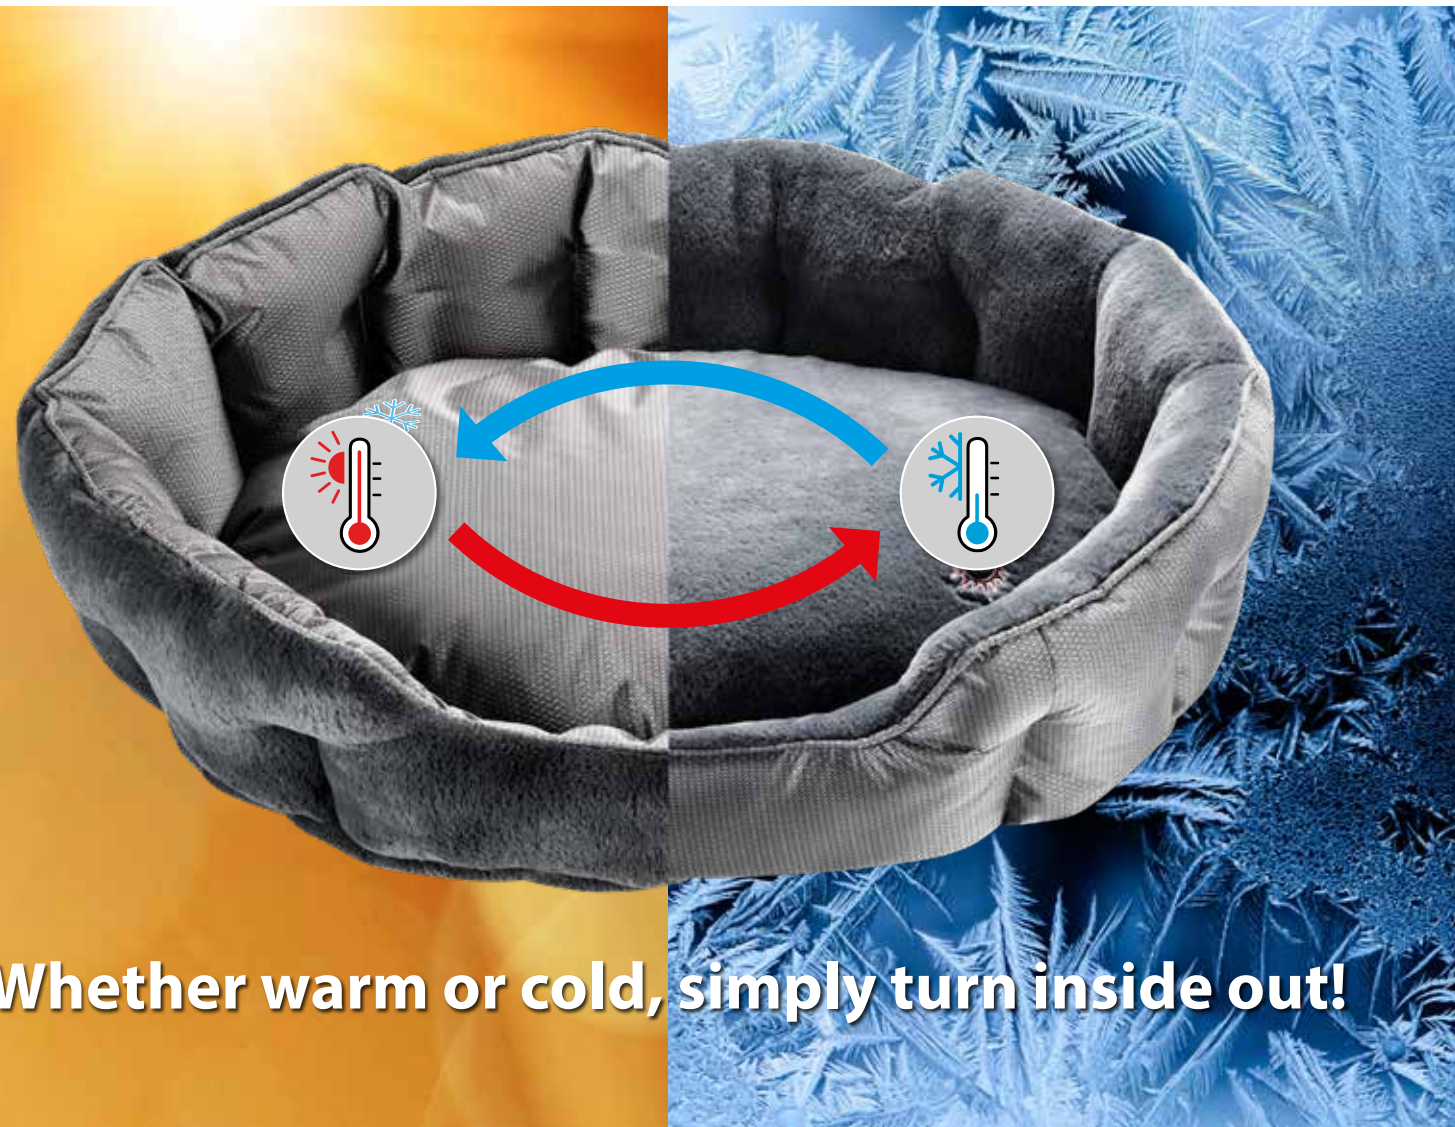

The attention to construction and purposeful materials, along with versatile temperature control increases the comfort of the animal, providing complete relaxation and promoting a healthy way to help prevent and treat inflammation and joint/muscle pain.

- ➔ Many Needs.
- ➔ Many Requirements.
- ➔ Many Factors.

But only one Bed: ThermoSwitch
The Bed that adapts!

Whether warm or cold, simply turn inside out!

Let Sleeping Pets Be...
 Better yet, let them relax in complete comfort!

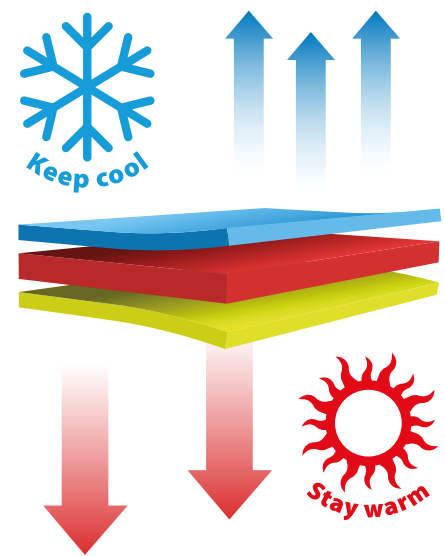

Thanks to **Thermo-Reflection Technology**, all our furry friends can relax at optimal temperature and support in their new favorite place.

Flip to ThermoSwitch® – Outside Becomes Inside and Inside Becomes Outside

Simply turn the bed inside-out to store heat or insulate against the cold ground!

ThermoSwitch:

- Orthopedic Memory Foam ideally adapts to the musculoskeletal system
- Easy on joints, bones and muscles
- Dirt and Odor repellent
